Search EPIC

The screenshot shows the EPIC software interface. On the left is a dark sidebar with a blue circular logo containing the word 'epic' in white. Below the logo are navigation links: Profile, Dashboard, Build Scenario (which is highlighted in blue), Explore, Settings, Tools, and Help. A search bar labeled 'Search EPIC' is at the bottom of the sidebar. The main content area has a light gray header with the breadcrumb 'Dashboard > Build Scenario'. At the top right are two buttons: 'Previous' and 'Build Scenario!'. The central part of the screen is mostly blank, with a small set of five dots at the bottom center indicating progress. Below this is the text 'Building Scenario'. At the very bottom, there is a thin blue footer bar with the word 'Save' on the left and 'Scenario 1 Table' on the right.
