

The EPIC Portal is a user-friendly web application designed to help users plan their education. It features a clean, modern interface with a dark blue header and a light gray background. The header includes a search bar, a sign-out button, and navigation links for Dashboard, Build Scenarios, Manage Scenarios, Explore Schools, Explore Majors, and Explore Occupations.

The left sidebar contains a search bar, profile settings, and a help section. The main content area displays a welcome message, a 'GET STARTED' button, and a category selection section. The user can choose from School, Major, Degree, or Occupation. A tip suggests starting with the strongest preference.

In the 'Step 1' section, the user selects 'Major/Minor Preferences'. They can search for majors and indicate if they are unsure. The 'Major' button is highlighted in green. A 'Save and Continue' button is available.

In the 'Step 2' section, the user selects 'Occupation Preferences'. They can search for careers and indicate if they are unsure. The 'Occupation' button is highlighted in green. A 'Save and Continue' button is available.

In the 'Step 3' section, the user selects 'School Preferences'. They can search for schools and indicate if they are unsure. A tip box provides information about unavailable options. The 'Major' and 'Occupation' buttons are highlighted in green. A 'Save and Continue' button is available.

In the 'Step 4' section, the user selects 'Degree Preferences'. They can choose from various degree types. The 'Major' and 'Occupation' buttons are highlighted in green. A 'Save and Continue' button is available.

In the 'Step 5' section, the user reviews their preferences. A summary table shows School Preferences (Brigham Young University), Major Preferences (Accounting, Finance, Construction Management), Degree Preferences (Bachelor's Degree), and Occupation Preferences (Accountant, General Manager, Construction Director). A 'Build Scenario' button is available.

The final step shows a 'Building Scenario' progress bar. A 'View Scenario' button is available.

The 'View Scenarios' section allows users to manage their scenarios, with a table for 'Scenario 1 Table' showing columns for School, State, Cost, Major, Years, Degree, and Occupation. Buttons for 'VIEW ROI' and 'VIEW GRAPH' are available, along with social media sharing icons.
